PROFESSIONAL EXPERIENCE

CONCENTRIX DAKSH SERVICES INDIA PRIVATE LIMITED / Senior Technical Support Executive (L2 Tier)
January 2023 – Present | Gurugram, India

- Delivered high-tier L2 application and infrastructure troubleshooting for enterprise customers, maintaining a 98.5% First Contact Resolution (FCR).
- Managed critical P1/P2 major incident bridges, coordinating with network and development engineers to restore service availability within tight SLAs.
- Authored and updated 40+ Knowledge Base (KB) troubleshooting runbooks, decreasing resolution turnaround time across the team by 30%.
- Monitored system health alerts and network telemetry via Splunk and SolarWinds to proactively identify and resolve server latency spikes.
- Provided L2 technical and customer support for escalated customer issues across chat, email, and call support channels.
- Diagnosed and resolved advanced customer queries related to applications, account access, billing, and system-related issues.
- Performed root cause analysis and troubleshooting for recurring technical problems. Managed incident tickets and ensured timely resolution within SLA timelines.
- Coordinated with internal teams and higher-level support teams for complex issue resolution.

GENPACT INDIA / Technical Support Associate (L1/L2)
August 2018 – December 2022 | Gurugram, India

- Handled an average of 35+ technical support tickets daily across phone, email, and live portal channels with a 99% CSAT rating.
- Administered user provisioning, security access groups, and distribution list permissions using Active Directory and Microsoft 365 Admin Center.
- Conducted detailed hardware/software diagnostics, resolving VPN connectivity errors, remote desktop failures, and client database queries.
